SURVEY IN REGARD TO FAMILY PLANNING
JASWANT SINGH YADAV

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether his ministry has conducted any survey in regard to family planning programmes in the country during the last three years;

(b) if so, the details thereof;

(c) whether Rajasthan Government has registered progress in this regard; and

(d) if so, the details thereof?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (PROF. RITA VERMA)

(a)&(b): Yes, Sir. The Rapid Household Surveys (at District level) covering 252 districts in phase I and 254 districts in Phase II were conducted in the country through various professional agencies during the years 1998 and 1999 respectively. The surveys covered a sample of 1000 families statistically chosen in each selected district to cover both rural and urban areas. Another survey called `National Family Health Survey - II` was conducted during the year 1998-99 covering 26 States/UTs (except the State of Tripura) covering 90,000 ever married women aged 15-49. For both these surveys International Institute of Population Sciences, Mumbai functioned as nodal agency for coordination and supervision.

(c)&(d): Under Rapid Household Survey a total of 30 districts were covered in Rajasthan in both the Phases. The National Family Health Survey-II has been completed in the State of Rajasthan in 1998-99. The National Family Health Survey-I was conducted during the year 1992-93. Statements showing position of certain important indicators of Family Welfare Programme in the State of Rajasthan as revealed from NFHS-I, NFHS-II and Rapid Household Survey are enclosed in Annexure I&II.
